Manchester and District 20s & 30s Walking Group MAD Walkers

We are a large and very active group aimed at (but not exclusive to) the 20s and 30s.

Our walks programme has at least two walks per week in the areas surrounding Greater Manchester, including the Yorkshire Dales, Lake District, Peak District and the South Pennines.

Most of our walks make use of the rail network, making the final pub stop much more enjoyable! For non-public transport walks, we encourage car-sharing.

We also have a busy social side to the group with trips to the theatre, weekends away and explorations of Manchester's thriving food and drink scene!

So if you want to meet like minded people and keep fit in beautiful surroundings, check out our website for the latest walks and socials!

MANCHESTER WEEKEND WALKERS

Manchester Weekend Walkers are listed as a 40+ group with the Ramblers but everyone is welcome to come on our walks, which are planned around using public transport and take place at weekends, as you might guess.

Discover the joy of exploring the great outdoors with a welcoming community of fellow walkers. Whether you're a seasoned hiker or new to countryside rambles, our group offers something for everyone: scenic routes, lively conversation, and plenty of fresh air.

- We have members from all around Greater Manchester and surrounding areas.
- There's at least one walk every weekend, all year round
- You can join us on regular weekday evening socials.
- Several times a year we organise weekend trips away to walk somewhere in England, Scotland or Wales

For all the latest information and details for our walks, socials and weekends away, please visit our website at www.mwwalkers.org.uk

MANCHESTER & SALFORD GROUP

The Manchester and Salford Group organised walks are on the second Tuesday and last Saturday of every month, generally walking no more than 8 miles. Walks on Mondays are up to 4.5 miles. In the summer months, we have longer walks and monthly evening walks. We have also introduced monthly short, slow walks for members who are new to group walking and members who may find distance or speed too challenging. We have two weekends away per year which are always very popular and great fun.

We are a friendly group and offer a varied programme of urban walks and also take advantage of the excellent countryside in and around Greater Manchester, using public transport where possible and car share where not. We also have regular socials, taking in some local interest. The Salford Trail and The Manchester Green Trail are both available with some great short and long walks. You can get more information for both trails on our website. For more information and details of our current walks programme see our Facebook page or visit : www.manchesterandsalfordramblers.org.uk

The Ramblers are at the heart of walking in Britain. If you walk, the Ramblers are for you. They work to make it easy for everyone to walk, whether in countryside, cities, hills, coasts and on or off the beaten track.

The Ramblers comprise a grass roots network of over 12,000 volunteers who work tirelessly for a walking Britain. For 75 years the Ramblers helped build and protect Britain's 150,000 mile long path network. They run over 28,000 walks a year, and campaign for better walking routes and more walking opportunities.
